

CHAPUNG SEBALI

Time for the Tropical Festive Season at Chapung Sebali

Think Christmas, and you envisage crispy, white snow, a tall Christmas tree, and maybe a glass of mulled wine to help keep you warm.

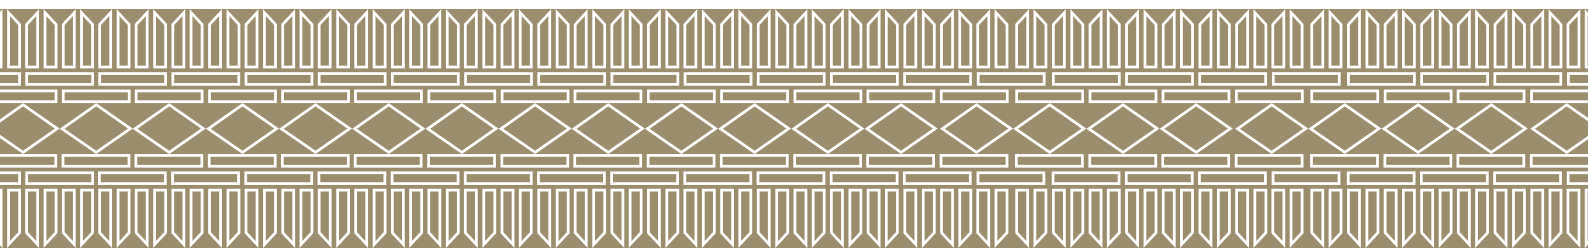

But you are in Bali. Where the best way to celebrate is while enjoying Ubud's breezy air and its lush tropical forest.

Located high up among the hills, and only a ten-minute drive from the center of Ubud, a sanctuary of Scandinavian design fused with Balinese style awaits you. Often referred to as Ubud's hidden gem, with its renowned Jungle Fish Pool Bar and views overlooking the Wos river valley, Chapung Sebali rolls out its expertise in creating memorable experience for guests, especially during the festive season.

On Christmas Eve, December 24th 2018, Jungle Fish Restaurant will offer a festive set menu dinner. Devour our decadent Christmas cuisine prepared by Executive Chef Wuisan Chandra, while enjoying the panoramic views of Ubud's surrounding jungle from the idyllic deck area, serenaded by soothing jazz tunes.

On the morning of Christmas Day, December 25th 2018, Jungle Fish Restaurant's Christmas Day Brunch will be the resort's highlight of the day. After you open your Christmas presents, head for an Indonesian and Mediterranean buffet at the Jungle Fish Restaurant. Your children will receive some good tidings from Santa Claus, and you can enjoy the merriment over an acoustic performance of Christmas carols.

Celebrating New Year's Eve in Bali will be in many people's bucket list, so search no further and celebrate at Chapung Sebali, with an intimate family set menu at the newly revamped Jungle Fish Restaurant and Pool Bar. Usher in the New Year with a live band performance, Balinese dance, and DJ for the midnight countdown in the middle of exotic Ubud.

To book your place, please email info@chapung.com

About Chapung Sebali:

Opening in 2009, Chapung Sebali is located high up among the hills, just a ten-minute drive from the centre of Ubud. Natural, modern, intimate, spacious and tasteful designs are Chapung Sebali's signature attractions. The architectural inspiration is the Resort owner, a professional furniture designer and owner of a furniture factory in Indonesia.

His vision has grown to include two restaurants, a full Spa and a wide infinity pool perched on the side of a ridge overlooking the Wos River Valley and its luscious green wilderness. The Resort offers many memorable experiences: swimming in an infinity pool surrounded by lush jungle, enjoying a new fusion Mediterranean-Asian cuisine, and high-quality spa healing treatments.
